Purpose:

Chelis School of Dance is committed to providing a healthy and safe environment for all students, staff, and visitors. Smoking and exposure to second-hand smoke pose serious health risks and are incompatible with our commitment to promoting well-being. This policy is implemented to create a smoke-free environment that supports the health and safety of everyone associated with Chelis School of Dance.

Policy:

1. Smoke-Free Zone:

Smoking is strictly prohibited within the premises of Chelis School of Dance. This includes all indoor areas, classrooms, rehearsal spaces, restrooms, and common areas. Smoking is also prohibited in all outdoor areas within the Chelis School of Dance property.

3. Designated Smoking Areas:

Chelis School of Dance recognizes the importance of supporting those who are trying to quit smoking. Designated smoking areas may be established outside the premises, in areas that do not interfere with the health and well-being of non-smokers.

4. Enforcement:

All members of Chelis School of Dance, including students, faculty, staff, and visitors, are expected to comply with this no smoking policy. Violations may result in appropriate disciplinary action, which may include verbal warnings, written warnings, or, in serious cases, termination of enrolment or employment.

5. Communication and Education:

Chelis School of Dance will actively communicate and educate all members about the no smoking policy. Signs will be prominently displayed at entrances and other relevant locations to inform individuals about the smoke-free status of the premises.
